“ *I just wanted to send my deepest heartfelt condolences to the entire Family. I am at a loss of words. I knew her when I Dated Aaron in high school, maybe in 1993 or so. Only 15 then she scared me. But I was dating her boy so yes, she put the pressure on me. But we later reconnected on Facebook and I learned how generous and big hearted she was. Thank you for being a part of my life and prayers and light for everyone. I always appreciated that time at the cabin love Dee (Dorothy) Farrar Willis.*
