“ *Have many good memories of Darnell from working with her at the old Arab hospital. I could not say enough good things about her. She was such a caring nurse. She never had a harm word to say about any of our coworkers, which was so unusual. She was a true NURSE.. she really cared about her patients and you could tell how she completed her daily assignment. I pray God gives the family Peace as only he can give. Rest in Peace my friend.*
