“ *The wall of crosses that we have been working on had overflowed from living room to other rooms. She loved hard and was not afraid to tell you when you was doing wrong. She loved her music. Music will forever hit differently now. The will never be another like her . I am so blessed that God saw fit to send her to be a part of my life, to be my best friend. I will never have another. I love you Frankie and life will not be the same without you. Rest easy my friend.*
