“ *My sister, Vondaleen Sims and I both worked with Kathleen at the old Arab Hospital. I could tell of many things we did while working there. Mix in Aliene Light and we had a ball. Kathleen told it like it was and never backed down.*

I am sure the family will have a void in there heart with her passing. Us oldies are leaving here at a fast rate.

My Sympathy goes out to the family. Good bye Kathleen, may you rest in peace. You have been a hard worker on earth and have indured many troubles, as we all have,while on earth.....
