“ *Mike was one of 6 children of my cousin Jean Knight Huckaby. Since I live in Texas I didn't get to be with Jean's kids very often but always looked forward to seeing them when I was in Arab. Mike always had a smile even though his health was not what we would have liked it to be. I had several conversations with him within the last year about the family experience with cystic fibrosis. I'm so sorry he didn't have a long life. With love, Martha Ann Hyatt Clark*
