“ *I'm sorry to hear of Sue's passing. So, many memories of years passed. When we were at Calhoun College in Decatur, we carpooled. Fast forward, after graduation, our paths passed again. We both were employed at old Arab Hospital. One had to know Sue , the way she came off. Not only, was Sue a good mentor, but she was very knowledgeable about nursing. She spoke of her children. During this time, I think, her son was studying to become a doctor. One could see her excitement in her eyes. So, many different memories. Again, I would like to extend my heartfelt Sympathy to Leonard and family. May God give you Peace and Comfort in his arms during this trying time.*
