“ My heart breaks for family, but just knowing Pat for a short time, I know she is in the arms of Jesus. She was such a joy to be around! Always smiling! Always seemed happy! Was happy that I got to share in quilting with her. Rest in peace my friend. Gonna miss you.

“ Being the youngest of the family Pat ended up taking care of me. It was unfair to her but she got stuck with me through most of her life and we became great friends through out our lives. She leaves a huge empty place in my heart but I know we will be together again.

“ *Dear Precious Conklin Family, Patsy was such a delightful lady! Everyone loved her! 💕 Patsy came to our church, Liberty, back in the 1970's. The family a delight! All those little girls! Patsy is one of the ladies, we will always remember with great fondness. She was always smiling and laughing with us. Bob and I will never forget the Conklin's! We love you all. God bless you during this time. Pastors, Bob & Glo Hellmann*

“ *Some things I'd like to say  
but first of all to let you know  
that I arrived okay*

*I'm writing this from Heaven  
where I dwell with God above  
where there's no more tears  
or sadness there, is just eternal love*

*Please do not be unhappy  
just because I'm out of sight  
remember that I'm with you  
every morning, noon and night*

*That day I had to leave you  
when my life on Earth was through  
God picked me up and hugged me  
and He said I welcome you*

*It's good to have you back again  
you were missed while you were gone  
as for your dearest family  
they'll be here later on*

*I need you here so badly  
as part of My big plan  
there's so much that we have to do  
to help our mortal man*

*Then God gave me a list of things  
He wished for me to do  
and foremost on that list of mine  
is to watch and care for you*

*And I will be beside you  
every day and week and year*

*and when you're sad, I'm standing there  
to wipe away the tear*

*And when you lie in bed at night  
the days chores put to flight  
God and I are closest to you  
in the middle of the night*

*When you think of my life on Earth  
and all those loving years  
because you're only human  
they are bound to bring you tears*

*But do not be afraid to cry  
it does relieve the pain  
remember there would be no flowers  
unless there was some rain*

*I wish that I could tell you  
of all that God has planned  
but if I were to tell you  
you wouldn't understand*

*But one thing is for certain  
though my life on Earth is o're  
I am closer to you now  
than I ever was before*

*And to my very many friends  
trust God knows what is best  
I'm still not far away from you  
I'm just beyond the crest*

*There are rocky roads ahead of you  
and many hills to climb  
but together we can do it  
taking one day at a time*

*It was always my philosophy  
and I'd like it for you too  
that as you give unto the World  
so the World will give to you*

*If you can help somebody  
who is in sorrow or in pain  
then you can say to God at night  
my day was not in vain*

*And now I am contented  
that my life it was worthwhile  
knowing as I passed along the way  
I made somebody smile*

*So if you meet somebody  
who is down and feeling low  
just lend a hand to pick him up  
as on your way you go*

*When you are walking down the street  
and you've got me on your mind  
I'm walking in your footsteps  
only half a step behind*

*And when you feel the gentle breeze  
or the wind upon your face  
that's me giving you a great big hug  
or just a soft embrace*

*And when it's time for you to go  
from that body to be free  
remember you're not going  
you are coming here to me*

*And I will always love you  
from that land way up above*

*Will be in touch again soon*  
*P.S. God sends His Love*

“ You sent  
When tomorrow starts without me  
And I'm not here to see  
If the sun should rise and find your eyes  
All filled with tears for me

I wish you wouldn't cry  
The Way you did today  
While thinking of the many things  
We did not get to say

I know how much you love me  
As much as I love you  
Each time that you think of me  
I know you will miss me too

When tomorrow starts with out me  
Please try to understand  
That an angel came and called my name  
And took me by the hand

The angel said my place was ready  
In heaven far above  
And That I would have to leave behind  
All those I Dearly Love

But When I walked through Heaven's Gates  
I felt so much at home  
When GOD looked down and smiled at me  
From his golden throne

He said This Is Eternity  
And All I promised you  
Today for life on earth is done  
But Here it starts a new

*I promise no tomorrow  
For today will always last  
And Since each day's the exact same way  
There is no longing for the past*

*So When Tomorrow starts without me  
Do not think we're apart  
For every time you think of me  
Remember I'm right here in your heart.*
