“ *Patricia and I shared working at The Arab Hospital as VOE students and I always enjoyed knowing her as a friend. We lost contact over the years as I went off to Nursing school and like most people that I know time separates people. Returning again to be near a friend at near time of departure is sad but remembering her kindness brings me joy. Patricia and one will all meet again in the blessed peace of our Lords when we reach the other side of this time of this earthly life. Reunions there will be sweet and pleasant!*
Sincerely, Polly Light Jex a distant kin on Hornsby side.
