“ *I know that this has been such a difficult road for Tricia and her family. She was one of the sweetest people I know. She will be greatly missed by all of us that know and love her dearly. My prayers are with each family member during this difficult time. I pray that Tricia will watch over each of us until we can meet again. My love to Mary Kay and all the family for their loss.*

“ *Trisha, Its been such a long time i have seen you, however i remember how close you and Mary Kay where. When she and i ran around some, we would stop in and see you. I am glad you are in such a better place. I hope Angels guide you peacefully into the heavens, as god welcomes you with open arms. You are a Angel now, so may your spirit watch over your family here on earth as you are remembered in our hearts!*

*Sincerely,
