“ *My beautiful NaNa.
I was your first grandbaby;
Your love for me never wavered. No matter what.
The memories you and I hold together.. It would take a whole lot of books to fill them. You surely did know how to make someone feel better, feel loved. Your personality shined brighter than the sun itself. Every chance you got, you'd tell me how beautiful I was, how proud of me you were. You were truly my entire heart. My biggest supporter. I promise for the rest of my time being, i'll continue to make you proud. I'm going to live to the fullest all in your name. You'll always stay with me. No matter what. My true guardian angel. I love you.*
