“ *I was fortunate I got to know Phillip while he worked for me in TN. He was a great friend and mentor, and we had some good times together. I loved how he was able to work with anybody, and appreciated the beauty of nature while on the jobsite. He would always take pictures of flower, deer, birds, and other animals, and I would see them when flipping through the job photos for the week. He'll be missed. With love, Brian Hall*
