“ *Through the pain and loss you feel
You can count on our 'support'
We'll be with you, in spirit
And in mind and heart and thought*

*And though it will be difficult
In the days ahead of you
Try to face the future bravely
As Rena would want you to*

*I had the pleasure of really knowing Rena we graduated (1986)
together and later worked together at Deltacom (13 years for me).
Rena was always talking about her family and how much she loved
them.*

*Micheal was her soul mate and Tyler and Will the apple of her eye.
She may have left here before her family was ready but she is
waiting for all of her FAMILY in HEAVEN!!!!*

*We will always think of you daily Rena but will always know you are
holding your daddys hand and watching out for those you cherished
and loved dearly!!!! I pray your family will feel your presence and
know that you are always near!!! God please help this family during
their loss and bless them daily!!!*

Love always, Sabrina
