“ *We are so saddened to hear about Mrs. Sharp. My husband and I both had her as a teacher at Boonshill School. He finished school in 1975 and myself in 1977. She will be missed by many. Was always so cheerful and happy. Of course we both thought we were her pets. Lol everybody was treated as her favorite. You and your family and in our prayers. Love to all of you . I'm sorry for the loss of Mrs. Sharpe. I had her as a teacher in the 7th and 8th grade at Boonshill School.. I really enjoyed having her as a teacher. She was loved by so many of her students including me. My prayers go out to her husband and children. God bless you all.. Lorry Hill Anderton
