“ Richard Henson was the nicest, most compassionate and kind human being I have ever known. I never failed to make him laugh when I would tell him “the problem with you, Richard. Is you are too nice and too honest to be a lawyer”

He was wise beyond measure, Richard told me never make a major decision when you are upset or emotional. Rest in peace. Thanks for the good advice. A man of kindness and wisdom is how I would describe Richard Henson.

“ *So sorry for your loss Jessica. Mr. Henson was my dad James Pigg's roommate at Folsom Rehab Center. He always smiled and waved to us every time went to visit. One day he told my husband Tom he would charge him \$1 fee for looking out for my dad and laughed. Sure will miss his smiling face and his hello's when we visit.*
