“ *I have many sweet memories playing with my dear cousin, Ricky, when we were kids. We would watch cartoons and old reruns of 'Lost In Space' at my Aunt Catherines's house, especially on Saturday mornings. My older cousin's would look out after me, since I was the youngest in the pack. Ricky was such a kind-hearted and loving soul. RIP Ricky, you will be greatly missed by your family & friends.*

“ *Ricky, always smiling with a joke on hand. I remember playing house growing up and you were way younger than the rest of us, you always named yourself "Connie", how we have laughed about that together in the past few years! It was so good to have you here in Alabama with family. I will miss laughing and talking with you! Fly high!*
