“ *Sandra was a great friend, I worked with her at wrangler for 31/2 years, you could not ask for a better friend, one of the hardest workers that wrangler had. She and I both got to work every morning at 6 a.m. but we didn't have to start work until 7 but we did not want to be late, so we just sat in the parking lot and waited until time, if they would let us start work early she and I both did and if they asked if we would stay late Sandra would never say no, she was the best. She will forever be missed. I LOVE YOU girl.*
