“ I want the family to know I am deeply sorry for the loss of Scott. He will be missed by so many. I knew Scott from Tennessee. We were married in 1995. I had the chance to meet his brother, sister, mother and step father. It was an unforgettable moment. I had a wonderful time getting to know you all. Scott was first my very good friend. I met him when I was working my very first job @ Super Rama foods in Columbia TN. He sure knew how to make me laugh that's for sure! He loved his music. We would always go riding in the middle of the night just so we could listen to our rock songs without having to wake anyone :) He loved painting cars back in those days. I will always cherish the great memories we shared. I'm sending prayers out to all of the family. May God wrap his loving arms around you all and comfort you and help heal your hearts with the love Scott left behind. Again, I am so sorry for your loss! With Love, Lisa Savage
