I cannot begin to imagine the hurt and pain that you and your Family are going through right now at the loss of our Dear Friend Shayla. She was well loved by everyone that worked the Hockey games. I always looked forward to when the Havoc was in town, not because I am a Hockey Fanatic but because I got the Privilege of seeing my Dear Friend Shayla. She always had that infectious Smile that could light up a room. If there were more people like Shayla in the world, there would be no more wars or hate, only LOVE! She would always share me how much she loved working with children. Her heart may have given out and that's because she had the Biggest Heart filled with Love and Compassion for all that she came in contact with. I wouldn't trade Shayla's Friendship for all the riches in the Galaxy. But I would trade all the riches in the Galaxy for her Friendship! You are severely going to be missed my Friend but we will see you again some Sweet Day in Glory! I Love you Shayla!

“ I had the pleasure of meeting Shayla in the summer of 2013. It was one of the best summers of our lives. She was such a joy and light to be around. My thoughts and prayers go out to her family during this extremely sad time.

“ *Of course I have countless memories of Shayla but the most recent is the Reba McEntire concert. She knew how bad I wanted to go but couldn't work it out. She was working the concert and was trying to FaceTime me even though she would have gotten in very bad trouble. So the FaceTime wasn't working out . Next thing I know I am getting about 30 videos she has sent me of the concert. The next day she called and we talked about the concert and amongst other things her mom! I bet we talked for an hour. God I love that girl and her mom so much and am just so broken hearted. I will see you in heaven and so jealous that you get to see Jesus!*
