“ *Stef was such a sweet beautiful girl who could always make you laugh. We met 10 years ago and became instant friends, when her Tyler and my Tyler played Dixie league baseball together. I have many fond memories of the times we spent together. Our Tyler's have been best friends ever since and TC as we call him, is considered my other son. Stef will always hold a special place in my heart and she will be truly missed by all. Love you sweet girl.*

“ *My deepest condolences. Stefanie and I ran into each other, while both of our parents were in the hospital. She looked great and had that same radiant smile. I lost my daddy and she lost her mom. We reconnected through social media. She was so excited about her new path in life. We had just been in touch last week. She will be missed deeply by all of those hearts she touched.*
