“ Kristi, Leland and all of Steve family. I really do not have the words to say what Steve meant to me and my late husband Mr Donald as Steve called him. He would done anything for anybody. He was so good to check on me thru Donald’s illness and I looked many times and he would standing with that sweet smile wanting to know if I needed anything. I met Steve in 1987 thru the Greenes and we became forever friends. I wanted to be there today so badly but I have just relocated to Birmingham. I know Steve would understand. I so hope they stream live the service so I can be there virtually and I certainly will be there in spirit. My heart is breaking💔. I hope Steve has met up with my sweet Donald and my. Great friend Tony Greene. I so loved Steve Harper and I will never forget him until I see him in Heaven. Mrs June
