“ *It's with sadness that I learned of Joe's passing. I worked with Joe for 18 years in the TMDE Logistics Directorate. Joe was a kind man, a serious and knowledgeable worker you could always count on in any situation. I have so many memories of Joe outside of the office. We socialized with him and his lovely wife Emma in their home and at office parties. He would bring their boat to our office parties so 'the gang' could enjoy boating and water skiing all afternoon. On behalf of my wife, Jan, our thoughts and prayers are with Emma at this time. May God provide you and your family comfort at this time.*
