“ I miss you little brother. I remember growing up how we fussed as siblings do and you chased me with bugs and worms knowing I hated it as you laughed and laughed. But we loved much and I will be here to take care of Nita. Love you and miss you..❤️

“ My little brother Timmy, how I loved you and can't believe you aren't with us now. Growing up as kids, you and I use to fight as siblings do, you throwing bugs and worms on me and I would get so mad, while you laughed and laughed. You always knew everything about everything and everyone where ever you went, way more than I could. I will miss you telling me all these things. I know you are walking with a new body with mama and daddy and all of the many in heaven we knew! But I miss you and I will be here with Nita helping console and reminisce with her every day! You were so loved and we will always remember the good times. Missing you is so difficult. I love you little brother!!!❤️
