“ *Kristen, I am so sad and shocked at your father's death, he loved you so much. He talked about you all the time and how much he wanted the best for you. You are in my prayers. I did not know about his death until I read the paper, I would have attended services. If you ever need anything please call. Your father was so kind to me.*

“ *To the family. I am saddened and shocked at the sudden death of Tim. I pray God's strength for the family at this time. I had worked with Tim the last 10 years through the printing office. It was a pleasure. He was always pleasant and willing to help and get the job done right. May God give you strength now and through the days to come.*

“ *May God be with all of you today and in the sad days that will follow. I knew Tim through work, and he was a good man and a dedicated employee. He loved his family and was so proud of his beautiful daughter.*
