“ *From the first time we met in August 2001 we were like sisters. Me, you and Renee could talk to each other about anything! Knowing it would never go any farther. I am still in shock and can't believe that your 're gone! Never in a million years would I believe this could happen! We shared good times and bad times, laughed together and cried together. We had MANY adventures together too. Like the time you & I got lost on the 4 wheeler in the mountains or the time we decided to canoe down the raging waters of the creek after a hard rain, tipped over & you saved my life! I will always treasure the time we had together. You were such a loving and caring person always there to take care of everyone else and putting them first instead of yourself. My heart hurts because you are gone now, but you will NEVER be forgotten. Please give Dane and Dwight a big hug for me, I know they will watch over you now. Man what a party in Heaven that must be! I love you more than you'll ever know. You are in my heart forever. The "Loop" will never be the same. And as you always would say " Bite Me"! Love you like a sister forever.*

“ *Wow...where do I start? I cant count how many times over the past 10-12 years I heard my mother tell stories about all the late nights amd fun times she and Tina had up at Skyline. I believe the most memorable being when ya'll got lost in the mnts on the 4 wheeler and the game warden came and found them. I was only around Tina a few times, as was my daughter also when she was smaller. But that didnt matter. She treated us just like family! She had a beautiful soul! She didnt care about what you had done, right or wrong, she was still there for you. Atleast, I know she was for me. And never judged me when I made bad choices. She loved me anyway. Tina, you were a WONDERFUL human being, and such a great friend to my mother. We love you amd will miss you very much. But we know you are up there with Dane and Dwight looking down upon us all! Until we meet again...dly high sweet angel...fly high!*
