“ *My memories of Toxie are Many and various. once, about 7 - 8 years ago, my brother Jim and I had the pleasure of visiting Arab and Toxie and Judy graciously invited us to stay with them. My brother later commented on the endless supply of football and other interesting stories of his colorful life Toxie cheerfully shared. Jim later asked if they were all true and I assured him that Toxie was, indeed, a bigger than life person in many ways.*
