Pam & Terri: So sorry for your loss. Your mother was an amazing woman. Her smile would always light up a room! I have so many fond memories of our years together. Virginia loved her family very much. I know that she is with the Lord now and I hope you will find comfort in His promise that we will see her again.

“ My Sympathy is extended to all the family . I had the opportunity of knowing Virginia and Shultz for many years while living in Morgan City. They both were very unique individuals. When you walked into their home, you always felt welcomed. They always extended their hospitality to you. They always shared whatever they had, whether it ws food or manual labor. They were both good people. Always giving you a hand at whatever you needed. They were both hard working people, caring people.

They both were Angels and there is no doubt where they are ..in Heaven and once again together. You will see them again in Heaven. God said this.

So, sorry I could not have been there. Living in Huntsville, I do not hear about deaths til it is over.

Again, I extend my Sympathy to all the family. Such a good family. I Pray, God gives everyone Comfort And Peace, as He said he would, in times such as these....

Remember, I love all of you....
