“ *Buddy was a great man that I enjoyed getting to know and talk to over the last few years. He always asked for "the little Ivey girl" when he came by. Peace to the family during this time. Heather Garrison (Linda Gail Ivey Harden's Daughter)*

“ *Dad was one of the most giving person's I've ever met. Not only would he give his family what he could, he would also help anyone in need. Over the years, I have seen him sacrifice in order to do what he could for Cathy and myself. As he got sicker, his giving attitude still remained. Dad you will be missed immensely!!!! I love you.
