“ *So sorry to hear of Windford's death. I moved away many years ago and live in Washington state now. I have fond memories of him as a young man. His driving used to scare me to death but he was a good person and a big tease. I wish the best for his family and friends.*

“ *So sorry to hear Windford's death. He and his family lived next door to my wonderful grandmother and grandfather Harden. He was very quite but had a playful side to him. He was taught manners, standards, etc by his parents.*
