“ *To precious Zach and his family-*

*Vivian (the pup) and I cannot thank you enough for sharing your very precious time with us. We were so incredibly thankful and honored to spend some time on your birthday with you. Things certainly did not go the way that we had all hoped for, but one thing is for sure...we pray that you knew how incredibly loved and celebrated you were. Thank you for making room in your heart (and your hospital bed) for Vivian. Sending your family huge hugs, waves and furry fist-bumps to let them know that they are in our hearts and thoughts. <3*

“ To the best son: you thought me how to be a mom. I was not perfect. However, you always brought joy to everyone around you. I will remember all your 1st events in life. Thank you for loving me unconditionally. I made plenty of mistakes. But you pushed me to be the best mom for you and katlynn.. You and your sister always new my weak parts. You were my joker and loving you was easy. I wish every day I could have taken your place when you found out you had cancer. But God gave you a good run. You never showed your pain. You determination and your fight for life was so unbelievable. You fought so hard for all of us. You inspire me to be the best out of a bad situation. I have to praise God for the last 18 months getting to see you live life. You had so much fun.. you loved Jayden like no other. And jayden loved you. You were a great brother, son, uncle. You loved like no other. You gave to all. No matter what. The way you loved Tay was so unbelievable also. I will always be grateful for being your mom. Fly high baby boy.. I love you so much.

“ *Zach, was very strong after being diagnosed with such a horrible illness and continued to be brave until the end. His love of life, his belief in God, and his love for his family kept him going. I was told he made peace with whatever outcome God had in store for him. My love and out pouring of prayers goes out to my niece Kathy, Katlynn, Zach's grandparents my brother Walter, Rita and Lynette, his girlfriend Taylor, his other siblings, my niece Sandy (his Aunt) and all who loved him as they grieve and celebrate his precious life.*

*May God hold him close until we see each other again.*

*Go rest now Zach, no more pain.*

*Love Aunt Wanda, Grandma Mintz, and cousin Ryan*
