“ She and i were in school together. Later, I worked closely to Zada and PT in the medical arena. I always enjoyed talking with both of them when they brought patients into the Emergency Room in Arab and Huntsville. They were pioneers in the ambulance world. She and PT loved there gospel singing. I know they are singing up in Heaven. I am so sad, words can not express it. My god give Peace and comfort to the family and just remember Zada was loved by anyone she came in contact with....I will always remember that beautiful smile of hers.... Loved her...

“ *Many fond memories riding the school bus and going to school with Zada Ann. We have also recent good times at our AHS "gal" gatherings. She will be remembered for her "song" in her heart and "sunshine" in her face.*

“ *Mrs. Zada was a wonderful lady and a dear friend to my mother and father. She was a wonderful piano player and always made the piano rock when she played. I told her we were going to have to bolt it to the floor. I could write a book on how precious she was. I love her alot and am glad to call her a friend. She was such a blessing.*
